Front cover information

Ternate Island is a circular volcanic island in North Maluku Province, formed by the activity of Mount Gamalama. It serves as the administrative and economic center of Ternate City. It is widely known as a center of the spice trade (especially cloves and nutmeg), significantly influencing Indonesian history and global shipping routes. Located west of Halmahera Island, it borders the Maluku Sea and the Halmahera Strait. It boasts natural and historical attractions such as Lake Tolire, Batu Angus, Sulamadaha Beach, Jikomalamo Beach, and forts and sultanate sites.

Guideline for Author

JEECS (Journal of Electrical Engineering and Computer Sciences) is a scientific journal that presents and updated scientific articles in the field of Electrical Engineering and Computer Sciences research among academics and practitioners alike, including power system, electrical engineering, industry automation, computer sciences, informatics, and information system.

Manuscripts submitted to JEECS should accomplish the following checklist:

- The submission has not been previously published, nor is it before another journal for consideration (or an explanation has been provided in Comments to the Editor).
- The submission file is in Microsoft Word document file format.
- Where available, URLs for the references have been provided.
- The text is single-spaced; uses a 10-point font; employs italics, rather than underlining (except with URL addresses); and all illustrations, figures, and tables are placed within the text at the appropriate points, rather than at the end.
- The text adheres to the stylistic and bibliographic requirements outlined in the Author Guidelines.

Journal Publication Policy

Publication of articles in JEECS is dependent solely on scientific validity and coherence as judged by our editors and/or peer reviewers, who will also assess whether the writing is comprehensible and whether the work represents a useful contribution to the field. JEECS acknowledged the effort and suggestions made by its reviewers.

JEECS (Journal of Electrical Engineering and Computer Sciences)

P-ISSN : 2528 - 0260
E-ISSN : 2579 – 5392
