

Front cover information

Kelok Sembilan is a winding road about 30 km east of Payakumbuh City, West Sumatra, towards Riau Province. This road stretches 300 meters in Jorong Ulu Air, Harau District, Lima Puluh Kota District, West Sumatra. It is part of the connecting road section of the Sumatra Central Route and the East Coast of Sumatra. This road has a sharp bend and is about 5 meters wide, borders a ravine, and is flanked by two hills between nature reserves: the Air Putih Nature Reserve and the Harau Nature Reserve. Around Jalan Kelok 9, a 2.5 km long flyover has been built. This bridge stretches winding along two steep hill walls with concrete pillars varying in height up to 58 meters.

Guideline for Author

Journal of Electrical Engineering and Computer Sciences (JEECS) is a scientific journal that presents and updated scientific articles in the field of Electrical Engineering and Computer Sciences research among academics and practitioners alike, including power system, electrical engineering, industry automation, computer sciences, informatics, and information system.

Manuscripts submitted to JEECS should accomplish the following checklist:

- The submission has not been previously published, nor is it before another journal for consideration (or an explanation has been provided in Comments to the Editor).
- The submission file is in Microsoft Word document file format.
- Where available, URLs for the references have been provided.
- The text is single-spaced; uses a 12-point font; employs italics, rather than underlining (except with URL addresses); and all illustrations, figures, and tables are placed within the text at the appropriate points, rather than at the end.
- The text adheres to the stylistic and bibliographic requirements outlined in the Author Guidelines.

Journal Publication Policy

Publication of articles in JEECS is dependent solely on scientific validity and coherence as judged by our editors and/or peer reviewers, who will also assess whether the writing is comprehensible and whether the work represents a useful contribution to the field. JEECS acknowledged the effort and suggestions made by its reviewers.
