

Front cover information

Kuta Beach is a tourist spot located in the Kuta district south of Denpasar City, Bali, Indonesia. This area is a tourist destination for foreign tourists and has been a tourist attraction on the island of Bali since the early 1970s. Kuta Beach is often called Sunset Beach instead of Sanur Beach. Kuta Beach is famous for its sound waves for surfing, especially for beginner surfers. Apart from its beauty, Kuta beach tourism also offers various types of entertainment, such as bars, shops, restaurants, hotels, and grocery stores, as well as street vendors along the beach towards Legian Beach.

Guideline for Author

Journal of Electrical Engineering and Computer Sciences (JEECS) is a scientific journal that presents and updated scientific articles in the field of Electrical Engineering and Computer Sciences research among academics and practitioners alike, including power system, electrical engineering, industry automation, computer sciences, informatics, and information system.

Manuscripts submitted to JEECS should accomplish the following checklist:

- The submission has not been previously published, nor is it before another journal for consideration (or an explanation has been provided in Comments to the Editor).
- The submission file is in Microsoft Word document file format.
- Where available, URLs for the references have been provided.
- The text is single-spaced; uses a 10-point font; employs italics, rather than underlining (except with URL addresses); and all illustrations, figures, and tables are placed within the text at the appropriate points, rather than at the end.
- The text adheres to the stylistic and bibliographic requirements outlined in the Author Guidelines.

Journal Publication Policy

Publication of articles in JEECS is dependent solely on scientific validity and coherence as judged by our editors and/or peer reviewers, who will also assess whether the writing is comprehensible and whether the work represents a useful contribution to the field. JEECS acknowledged the effort and suggestions made by its reviewers.
