

Front cover information

Flora Wisata Santerra is a contemporary and Instagrammable tourist destination in the Pujon Malang Tourist City, East Java. With an altitude of 1200 meters above sea level, you can feel the cool air coupled with a typical mountain view. Flora Wisata Santerra was founded in 2019. Flora Wisata was built with the concept of a flower garden, Instagrammable photo spots, game rides, and garden-style culinary. This tour is perfect for all ages, from children to teenagers to adults and older people. There are hundreds of ornamental flower plants, also serving the sale of ornamental flower plants in pots. This tour, which stands on 5 hectares of land, is open from 08.00-17.00 WIB; a multipurpose building can be used for gatherings, meetings, weddings, and pre-wedding events.

Guideline for Author

Journal of Electrical Engineering and Computer Sciences (JEECS) is a scientific journal that presents and updated scientific articles in the field of Electrical Engineering and Computer Sciences research among academics and practitioners alike, including power system, electrical engineering, industry automation, computer sciences, informatics, and information system.

Manuscripts submitted to JEECS should accomplish the following checklist:

- The submission has not been previously published, nor is it before another journal for consideration (or an explanation has been provided in Comments to the Editor).
- The submission file is in Microsoft Word document file format.
- Where available, URLs for the references have been provided.
- The text is single-spaced; uses a 10-point font; employs italics, rather than underlining (except with URL addresses); and all illustrations, figures, and tables are placed within the text at the appropriate points, rather than at the end.
- The text adheres to the stylistic and bibliographic requirements outlined in the Author Guidelines.

Journal Publication Policy

Publication of articles in JEECS is dependent solely on scientific validity and coherence as judged by our editors and/or peer reviewers, who will also assess whether the writing is comprehensible and whether the work represents a useful contribution to the field. JEECS acknowledged the effort and suggestions made by its reviewers.
